LIFE FORCE
WELLNESS

LIFE FORCE WELLNESS

Life Force Wellness is committed to improving the lives of overworked professionals and leaders by encouraging healthy habits and positive workplace cultures. Our mission is to boost productivity and help individuals achieve a balanced, stress-free lifestyle through well-designed programs and resources. We envision a future where organizations prioritize work-life balance, creating environments that support overall well-being and personal fulfillment. By providing innovative services, we enable companies to value flexibility, self-care, and meaningful connections, striving to redefine the corporate landscape for harmonious and prosperous workplaces that benefit both individuals and organizations.

MEMBER OFFERS

Life Force Wellness values the vibrant community that BWP has created, and we are proud to support its growth by offering our products and services to promote wellness and positivity. To further enhance this community, Life Force Wellness is pleased to provide several special offerings, such as:

BENEFITS

1. Pause for Positivity Coaching

On the First Wednesday of each month, owner and coach Megan Wollerton will provide wellness coaching focused on living a healthier and more positive lifestyle.

2. Life Force Wellness App

Get the Life Force Wellness App for only \$5.00/month or \$60 for the year. The app includes workout videos, nutrition guidance and a food log, meditation and soothing sounds, community pages, challenges, progress tracking and much more.

3. Special Offers and Discounts

Life Force Wellness hosts monthly educational webinars and virtual wellness events. BWP members will receive special promo codes and discounts for these additional events.

MEGAN WOLLERTON

President, Owner, Coach

Megan Wollerton, Owner of Life Force Wellness, is a certified personal trainer, health coach, nutrition coach, corporate wellness specialist, positive psychology practitioner and stress management, sleep and recovery coach. With a B.S. in Business Administration - Marketing and a minor in Psychology. She specializes in creating engaging corporate wellness programs and helping clients achieve happier and healthier lifestyles through her expertise in exercise, nutrition, mental resiliency, behavior change, and well-being. Megan focuses on seven distinct well-being areas and is committed to providing effective solutions for companies.

ERIN ESTHETICS AT MAXXCOLE SALON & SKIN SPA

Erin Freeman is a highly skilled and licensed esthetician at MaxxCole Salon & Skin Spa, where she brings a wealth of expertise and a personal touch to every service she offers. Specializing in medical-grade DMK skincare treatments and European-style facials, Erin is committed to providing individualized care that addresses each client's unique skin concerns. Her compassionate and welcoming demeanor ensures that every client feels heard, understood, and completely at ease from the moment they enter the spa.

Erin's approach to skincare is both scientific and holistic. She uses advanced DMK treatments that work at a cellular level to rejuvenate and restore skin health, coupled with the soothing techniques of European facials to enhance relaxation, and promote well-being. Whether clients are looking to maintain a routine skincare regimen or indulge in a luxurious spa day, Erin's goal is to deliver visible and lasting results.
